Office Next Moscow 2014 in «Gostiny Dvor». New location – new opportunities

- **New location in the city centre of Moscow**
- **Much more space for further developments**
- **Open-space concept remains the same**

Nuremberg / Moscow, October 02, 2013

Office Next Moscow 2014 will take place in a new and bigger location, "Gostiny Dvor", which is situated in the centre of Moscow, not far away from the Kremlin. Now the organizers can meet the wish of the exhibitors and offer much more exhibition space. "The historical building with its large glass roof and open space offers for the exhibitors and visitors new opportunities, encourages new ideas and draws more attention to the current questions of the office industry and fits perfectly into the open-space-concept of Office Next Moscow," explains Sergey Konnov, Managing Partner of Office Next Moscow.

With the new location "Gostiny Dvor", Office Next Moscow 2014 gets larger and meets the increased demand for exhibition space. The medieval building was completely restored in 1995 and today it is one of the most attractive venues in Moscow. The total exhibition area of "Gostiny Dvor" equals 12,000 square meters. The combination of modern and old offers an ideal platform for inspiration and creative ideas, business contacts or constructive and effective communication.

The successful concept of Office Next Moscow remains the same in the coming year. Office Next Moscow is based on 3 pillars: TRENDS - exhibition of novelties from renowned and international companies, TALKS - conference with presentations, workshops and roundtable discussions and AWARDS - the award for the best office design project.

Last year the forum was visited by more than 3,600 experts, there were 62 exhibitors (40 international and 22 from Russia) and 93 projects were submitted for the AWARDS. Office Next Moscow 2014 plans to exceed the figures of the last year due to the new location. The expanded space and convenient

location in the center of Moscow, will allow to enrich the Forum even more with its interactive format of the event and to widen the range of topics, primarily in the field of architecture and real estate

The event covers the issues of modern design, new technologies and innovative ideas for the Russian real estate and office market. It is about office furniture, interior design trends, renting office space and project management, facility management, and much more. Office Next Moscow brings together the top-notch experts to discuss the latest developments and trends and to stimulate the progress of the industry with new impulses.

ABOUT OFFICE NEXT MOSCOW

The International Forum for Office Design, Technology and Real Estate is the only event in Russia that is devoted to the office industry. With its 3-in-1 marketing concept, TRENDS - the exhibition, TALKS - the conference, and AWARDS - the competition for the best office design projects, Office Next Moscow offers an ideal information- and networking-platform at one spot. More than 3,600 decision makers meet every year to get to know the latest office design trends. The event takes place at Gostiny Dvor, one of Moscow's most beautiful architectural monuments, nowadays serving as impressive event location.
